15.000 bottles

Alcohol level

13,5%

Made exclusively from Sangiovese grapes, Il Vispo is light and lively, with all the vivacity of youth. This wine is characterized by its easy charm and immediate appeal, guaranteed to prove popular on all occasions. Moreover... while the content of the bottle is youthful and positive, the outside features a label with cutting edge modernity inspired by the works of Banksy, one of the foremost exponents of graffiti and street art.
