13,5%

This is the latest addition to La Magia's range, made exclusively from Sangiovese grapes. Light and lively, with all the vivacity of youth, our latest wine is defined by its easy charm and immediate appeal, guaranteed to prove popular on all occasions. Moreover... while the contents of the bottle are youthful and positive, the outside features a label with cutting edge modernity, inspired by the works of Banksy, one of the foremost exponents of graffiti and street art.
